CAREER SUMMARY

Creative, driven freelance photographer with 12+ years of expertise collaborating with clients toward the perfect shoot and end-product. Excited to apply my knowledge and passion to a customer-focused business like Fox Corporation.

WORK EXPERIENCE

Freelance Photographer

Private

📅 2014 - current

📍 Seattle, WA

- Worked with 130+ clients from small businesses to private events, assessing customer needs and exceeding expectations, resulting in a 5-star Yelp rating
- Leveraged expertise in professional digital photography equipment and workflows, leading to a turnaround time of 5 days from shoot to final images
- Developed rapport with clients and open communication, reducing re-shoots by 58%
- Processed images in post-production using the Adobe suite while incorporating customer feedback
- Collaborated with advertising executives to create images for digital marketing, leading to a 13% sales increase

Photographer

Nooklyn

📅 2010 - 2014

📍 Seattle, WA

- Led onsite photography shoots for new apartment listings, resulting in revenue of \$720k for the business
- Studied apartment features, determining would-be tenant desires, leading to a 29% decrease in photoshoot time
- Collaborated with tenants, landlords, and prospective customers to schedule shoots and execute touch-ups

Office Manager

Swiss Re

📅 2007 - 2010

📍 Seattle, WA

- Supervised office operations, including personnel, schedules, information management, filing systems, and inventory, reducing administrative costs by \$57k
- Overhauled billing process improvements, leading to a 43% increase in on-time payments
- Developed relationships with vendors and service providers, paying invoices 100% on time
- Coordinated schedules for on-site candidate interviews, reducing the average time-to-hire by 4 days
